Let's Listen First!

These pages go with our Wheels on the Bus Winter song.

Watch it and sing along first: scan the code, or visit kittelfdorakids.com.

Read the little sentence on each page together.

Print on one side of the paper. Page 19 has a snowball to cut out.

Black and white is fine: pages 2 to 35 are mostly line drawings. Skip the covers to save ink, or skip any page: each one stands alone.

Sing along

sing the song together.

Brrr! It's snowing! Rub your hands, rub, rub, rub!

The wheels on the bus go round and round,
Round and round, round and round,
The wheels on the bus go round and round,
All through the snow!

Funny footprints in the snow,
Who's that? Do you know?
The bunny on the bus goes hop, hop, hop,
Hop, hop, hop, hop, hop, hop,
The bunny on the bus goes hop, hop, hop,
All through the snow!

Look! A fox, all white with snow,
Shake, shake, shake from head to toe!
The fox on the bus goes swish, swish, swish,
Swish, swish, swish, swish, swish, swish,
The fox on the bus goes swish, swish, swish,
All through the snow!

Keep singing!

sing the rest together.

Three round snowballs in a tree,
Tweet, tweet! Birdies! One, two, three!
The birds on the bus go puff, puff, puff,
Puff, puff, puff, puff, puff, puff,
The birds on the bus go puff, puff, puff,
All through the snow!

Tall, tall deer, the door is low,
Bend down, bend down, nice and slow!
Everyone on the bus goes scoot, scoot, scoot,
Scoot, scoot, scoot, scoot, scoot, scoot,
Everyone on the bus goes scoot, scoot, scoot,
Room for one more!

One, two, three, four, five, warm and bright,
Which one's icy, icy white?

The driver on the bus goes brrr, brrr, brrr,
Brrr, brrr, brrr, brrr, brrr, brrr,
Everyone on the bus comes close, close, close,
Warm as can be!

The wheels on the bus go round and round,
Warm through the snow.

Rub, rub, rub!

colour Miri and Ori rubbing their hands to warm up.

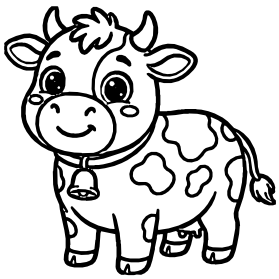

Who rode the bus?

circle the friends you saw in the video.

The long way to the bus

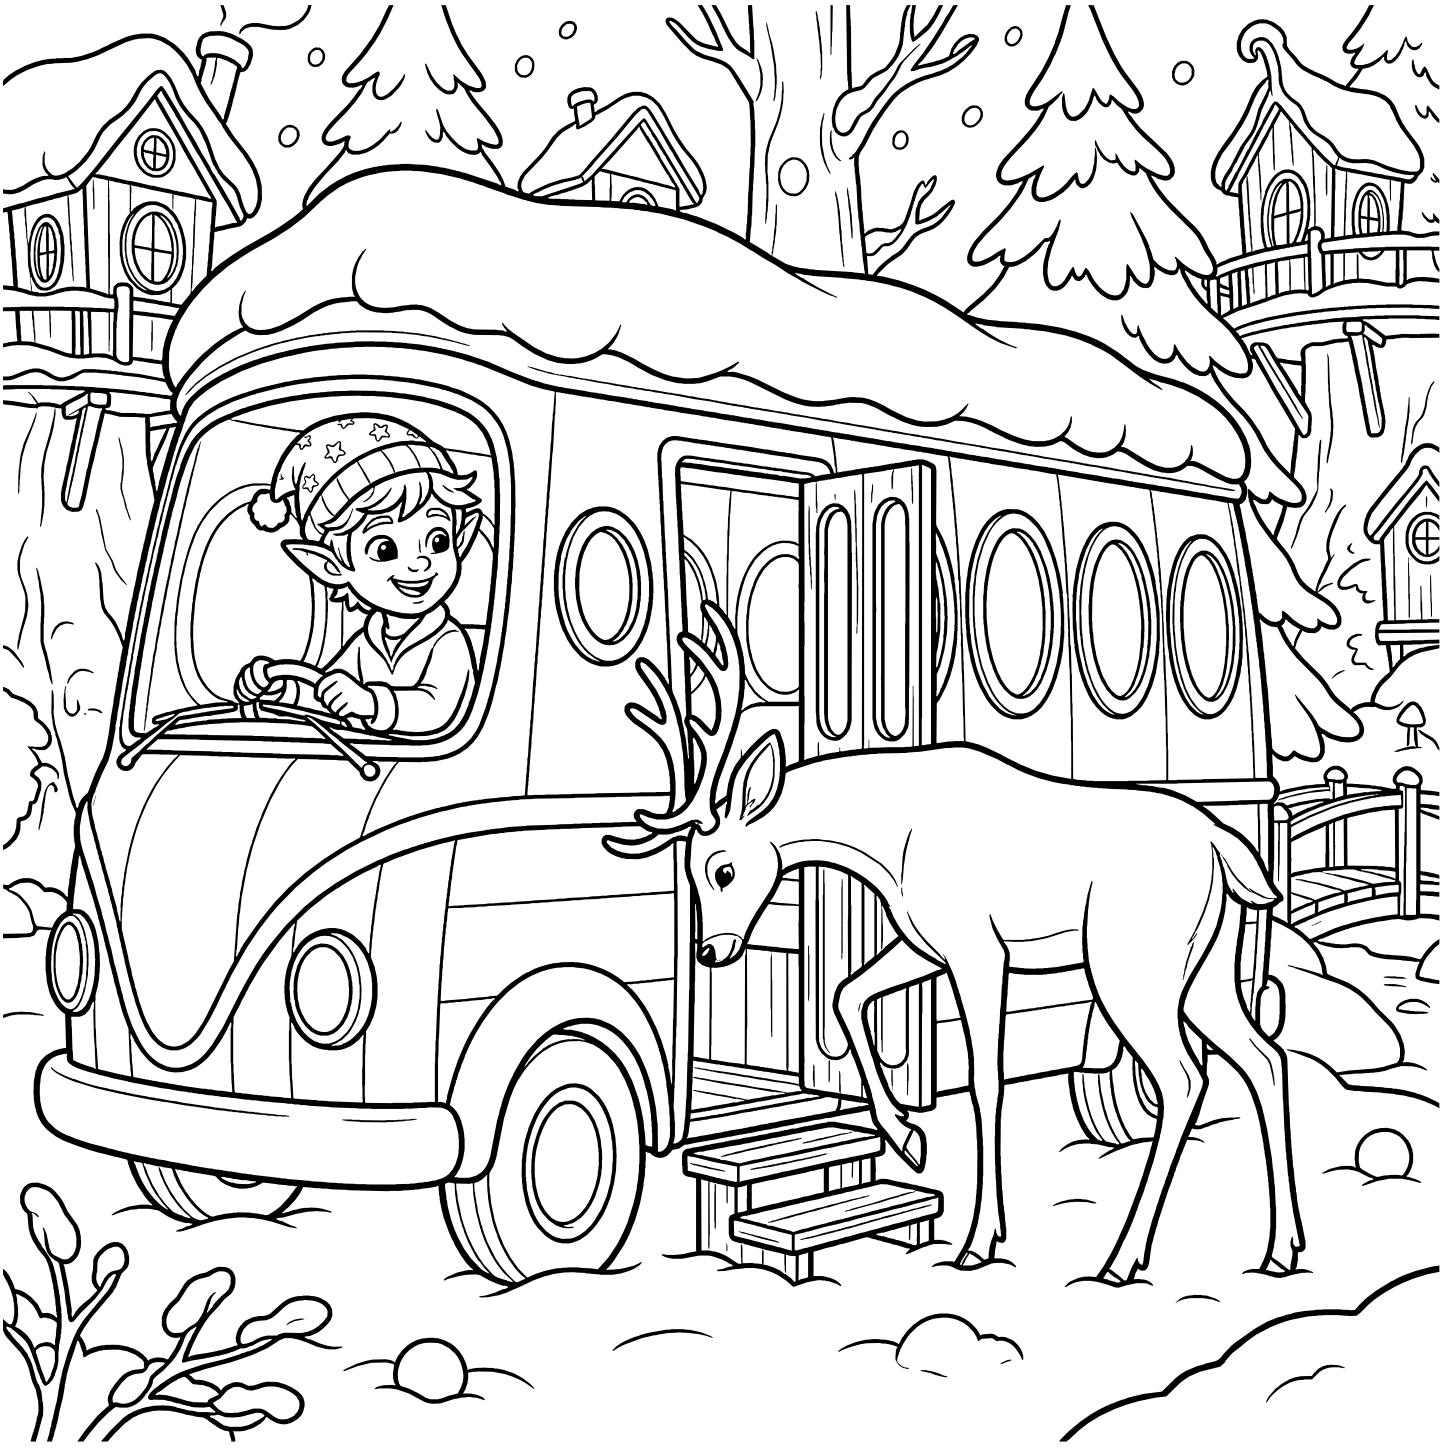

draw a path from the bunny to the bus.

try it tricky

Bend down, nice and slow

colour the tall deer bending down at the door.

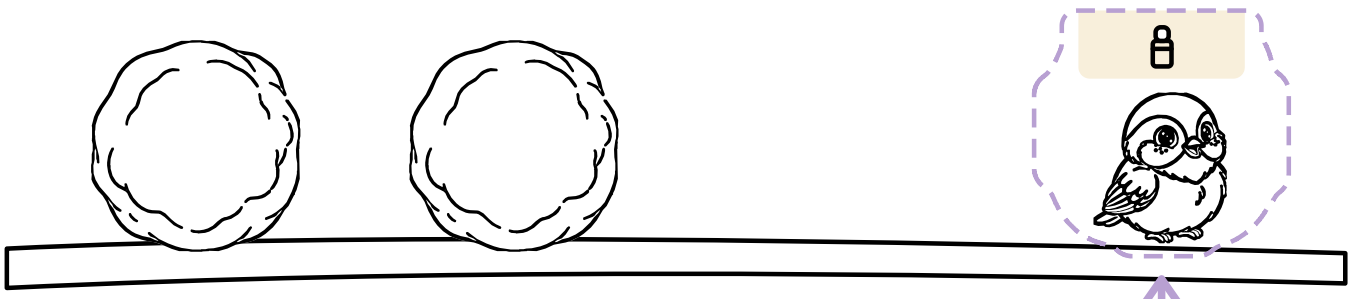

Shake, shake, shake!

colour the fox shaking off the snow.

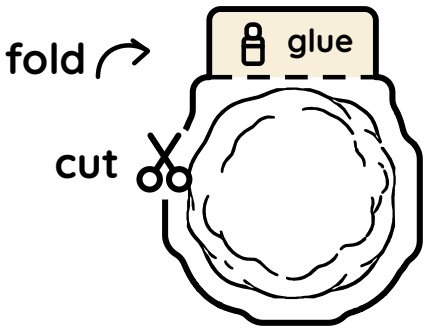

Count the snowballs

count the snowballs,
then lift the flap to peek!

how many snowballs?

For grown-ups: make the flap before your child counts. Cut out the snowball and fold its tab back on the dashed line. Glue the side that says “glue” onto the glue mark in the dashed snowball shape. The snowball hides a little bird until your child lifts it. **With a grown-up nearby**, use round-tip scissors and a non-toxic glue stick. Small pieces can be a choking hazard for babies and toddlers, so tidy them up.

Peek! Who popped out?

colour the little birds popping out.

First onto the bus

circle the animal who got on first.

Find 5 differences

circle 5 changes, then colour a star for each.

For grown-ups: every find counts. Still hiding? Peek at page 34 together.

Snowy day moves

do each move from the video, then tick it!

rub your hands ☐

hop like the bunny ☐

shake off the snow ☐

swish like the fox ☐

For grown-ups: play the song and move together. Find a clear space first, and keep hopping and scooting on the floor, not on furniture.

More snowy day moves

do each move from the video, then tick it!

bend down low ☐

scoot along ☐

brrr, shiver! ☐

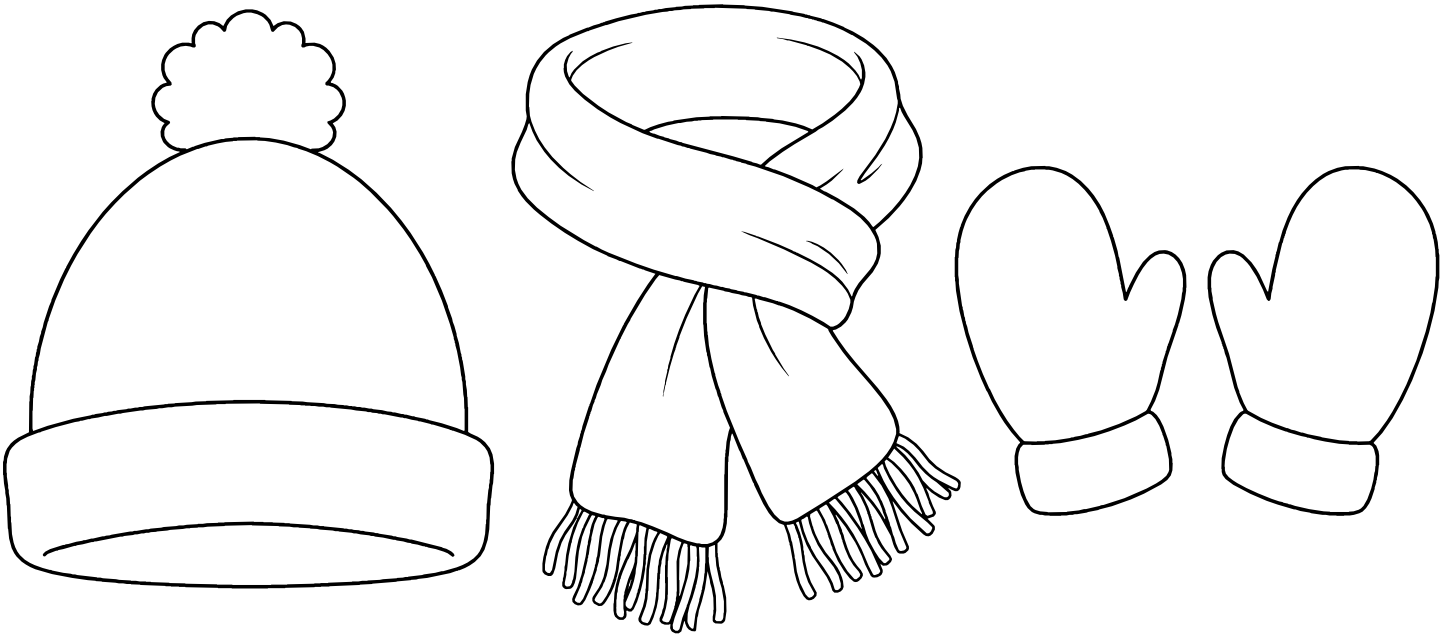

come close ☐

For grown-ups: play the song and move together. Find a clear space first, and keep hopping and scooting on the floor, not on furniture.

Design your winter wear

colour and decorate your hat, scarf and mittens.

my scarf is _____

_____

For grown-ups: your child can say the rest, and you can write it down.

Little word hunt

find bus, fox, hop and snow going across.

Warm as can be!

colour everyone close together on the bus.

YOU DID IT !

You listened, sang, coloured, played and rode the bus
with Ori, Miri and their friends, all through the snow.
You followed the footprints, joined dot to dot,
looked for the differences and drew a path for the bunny!

You hopped, shook, scooted and came in close!
You're a true Snowy Bus Helper. 💛 👋

But this is not the end...
Kittelfdora is always waiting for your next adventure.
Keep hopping, keep smiling, and remember:
We'll be right here, in the next song and the next video!

OFFICIAL KITTELFDORA SNOWY BUS CERTIFICATE

This certifies that:

_____

has officially completed "Wheels on the Bus Winter"
and has earned the title of a true Snowy Bus Helper,
for singing, colouring and riding along with Ori, Miri
and every friend who made room for one more!

This badge is a celebration of your kind heart,
busy hands and every happy hop in the
magical world of Kittelfdora.

Page 8: orange, with a white tip on its tail.

Pages 9 and 10: bunny, hop. Fox, swish. Birds, tweet. Driver, brrr.

Page 11: 2, 3, 1. The snowballs sit in the tree, then they burst open, then the birds puff up on the bus. Ask what the birds did on the bus.

Pages 12 and 13: see the pictures above.

Pages 15 and 16: see the pictures above.

Page 19: 3. A little bird hides under the flap.

Page 21: the bunny.

Page 22: bunny 1, fox 2, birds 3, deer 4.

Page 26: a tree, the middle of a wheel, the round sign, the bunny and a pile of snow.

Pages 30 and 31: see the pictures above.

For grown-ups

Colours from the video
The fox is orange with a white tip on its tail (page 8), the bunny is white, the deer is brown and the little birds have black caps. Every other colour in the book is up to your child.

Ways to play without a screen
Sing the song together and rub your hands to warm up, like Miri and Ori. Line up some toys as the riders and let them get on one at a time, then shuffle them along to make room for one more. Make up a verse for another animal: what does it do on the bus?

Easy and tricky pages
Some activities come on two pages in a row: “try it”, then “try it tricky”. Pick the one that suits your child, or do both.

Dots for numbers
On pages 11 and 22, a child who isn't writing numbers yet can draw dots: one dot for first, two for next, and so on. Or they can point and tell you, and you write the numbers.

Cutting and gluing
Page 19 has a snowball to cut out, and page 20 shows who it hides, so print both. With a grown-up nearby, use round-tip scissors and a non-toxic glue stick. Small pieces can be a choking hazard for babies and toddlers, so tidy them up.

The song
Watch it again at kittelfdorakids.com/wheels-on-the-bus-winter-song/ or scan the code on page 2.
